

VCRGE Accounting Office Support

The VCRGE Accounting Office offers financial administration services for all 135 funded accounts . We also offer administrative support services on all A34xxxx 150, 101, 161, and 136 accounts and can provide guidance for financial and operational needs. Our accounting staff has unique, deep, and comprehensive financial expertise to be able to offer a variety of outreach services from basic fund administration questions to detailed audit assistance and operational analysis. The list of Outreach tasks below is a small sampling of services offered. Please feel free to contact Jessica Wipperfurth or Katie Austin if you're interested in discussing any of these services. Our Outreach Request form can be found at: <https://research.wisc.edu/resfunding/accounting-outreach/>.
