

Research Core Leadership Summit

November 5, 2019 Memorial Union Tripp Commons

Welcome!

Summit Goals

The goals of the gathering are to: (1) provide a networking platform for core managers to meet one another and explore the diversity and commonalities of research services on campus; (2) connect with core liaisons from campus units that can support core operational, administrative and compliance work; (3) discuss challenges and share solutions for areas of concern; (4) plan next steps for **WiscCores 2020** on March 4.

Agenda
