GRANT APPLICATION

TheRideUW.org

THE RIDE is soliciting grant applications

The overarching mission of **THE RIDE** is to advance state of the art cancer research and treatment to serve cancer patients and families in Wisconsin and beyond. Federal research funding is exceptionally challenging and funds raised from **THE RIDE** help bridge this funding gap to make cancer researchers at the UW competitive at the highest level. **THE RIDE** began in 2016 and since then has raised nearly 1.3 million dollars for UW cancer research and awarded money to 40 researchers, collaborative programs and students.

Please visit The Ride [website](#) to find more information regarding The Ride and [previously awarded scholarships](#).

THE RIDE seeks to fund scholars and program applications that will:

- Promote cancer research in basic, translational, clinical, social/behavioral and population sciences
- Result in preliminary data to support successful competitive national grants (R01 or equivalent)

GRANT DESCRIPTIONS:

- **Program:** Provides financial support among two or more UW faculty from interdisciplinary fields who have a focus on a clearly identified research project (\$50,000).
- **Scholar:** Provides financial support (\$25,000) to individual UW faculty members whose current work focuses on cancer research and/or advancements in cancer treatments.

PROJECT PERIOD: Feb. 1, 2022 – Dec. 31, 2023
