

2026 WISCONSIN MANUFACTURING SUMMIT

WISCONSIN DRIVES MANUFACTURING

In Wisconsin, 16% of our workforce, nearly 20% of our GDP, and 9,000+ small and mid-sized businesses with a workforce of more than 480,000 Wisconsinites power American manufacturing. Now is the moment to turn strength into strategy and drive next-generation manufacturing innovation.

Join industry leaders, researchers, and policymakers for an energizing summit at **Lambeau Field** to:

- Explore new frontiers in manufacturing
- Shape the manufacturing workforce of the future
- Boost impact on the WI economy

Save the date for **June 1-2, 2026!**

- **June 1:** Innovation Showcase
- **June 2:** The Summit
